OUR SERVICES

PROPERTY DEVELOPMENT

Rouxey Vision Homes is a property development firm involved in a wide range of real estate development activities to provide higher use value. We buy land and building property, renovate and convert property from one use type to another. We handle projects from start to finish

SALES AND LEASE

We offer a diverse portfolio of residential and commercial properties, from luxurious villas to modern apartments designed to meet various lifestyles and preferences. Office buildings, retail complexes, and mixed-use developments also available with state-of-the-art spaces perfect for businesses looking to thrive. We provide opportunities for investors to purchase properties with high potential returns, ensuring profitable investments in prime locations.

REAL ESTATE ADVISORY AND MANAGEMENT

Our accomplished and professional real estate advisory team is always on the ground to support clients with financial matters in the area of real estate and property management. We offer real estate valuations, transaction support on property deals, and advice on optimising real estate asset portfolios in combination with financial asset management.

OUR SERVICES

IMPORTATION | SUPPLY OF BUILDING MATERIALS

In the course of our operations, we discovered a gap in the supply of quality building material which we are now addressing. Using our reach in the global real estate development space, we currently supply a wide array of high quality, competitively priced building materials thus contributing to bridging the gap. Some of the materials supplied include glass sheets, ceilings, fencing, doors and wood products among others

LOGISTICS SERVICES

We offer cost-effective industrial and logistics services helping clients to successfully navigate the demanding and dynamic supply chain environment.

With our expertise in supply chain logistics, research and development, and distribution and warehouse facilities, we are your go-to partner for logistics services in Nigeria
